

Product Change Notice

Date of Issue: July 15, 2026**Manufacturer Name:** RFI (RF Industries / Schroff Technologies)**Title of Change:** Product Design Change**Type of Change:** KM000022 Manufacturing Enhancement and Design Modification

Change Description For filter part number KM000022, the frame material is changing from aluminum to rigid black polystyrene. There is no change to the filter dimensions (24.25" x 19.375" x 4.25"), and the media continues to be MERV16 rated to support Harsh Marine Environment (HME) applications.
This filter remains compatible with the following cabinet DAC Families: AF000190-HME and AF000013.

Reason for Change: This design change aims to improve our manufacturing process and increase our production capacity. It is also part of our ongoing efforts to enhance production techniques, ensuring that our products are consistently more reliable and of higher quality.

Notice Effective Date: July 15, 2026**Last Time Buy Date:** N/A**Last Time Ship Date:** N/A**Manufacturer Contact:** rfi@rfindustries.com**Affected Products:**
